SUNNYVALE PRESBYTERIAN CHURCH

ARE YOU CALLED TO WORK WITH YOUNG PEOPLE?

SVPC Youth Ministry is looking for Adult Advisors for the 2020-2021 program year! We are interested in committed folks who love working with young people.

To keep up with busy lives and schedules, we have redefined the ways “Adult Advisor for Youth” manifests itself. We have worked hard in the last year to adjust the expectations for advisors so folks can pop in and out of leadership according to their schedules. We believe in honing people’s interests and skills into task-defined roles so we have the most flexibility. You can now serve as an adult advisor to the youth programming in the following roles:

- **FLASH** (middle school) **Wednesday Advisor** – attend Wednesday night FLASH meetings at 6–7:45 p.m.
 - ◆ [around a 3-hour weekly commitment during the program year; includes dinner]
- **CLUE** (high school) **Wednesday Advisor** – attend Wednesday night CLUE meetings at 7–8:45 p.m.
 - ◆ [around a 3-hour weekly commitment during the program year]
- **Small Group Advisor** - attend and lead an 8-10 week small group on Mondays from 7–8:45 p.m.
 - ◆ [around a 3-hour weekly commitment for just 8-10 weeks]
- **Youth Ministry Advisory Team** - YMAT is a volunteer advisory team of parents who help support our programming. We meet once monthly and are moderated by our Lead Elder for Youth Ministry.
 - ◆ [around a 3-hour monthly commitment]
- **Meal Advisor Team** - Youth ministry is responsible for a lot of food making! From FLASH dinners to YMAT meeting meals to CARAVAN Student Meeting dinners, we make a lot of food throughout the year! Do you love to cook and organize large meals? Help support our youth ministry programming by joining our youth meal ministry team.
 - ◆ [time commitment dependant on interest]

All adult advisors are offered supportive monthly trainings on topics like mixed-race identity in the church, mental health, and crafting liberating disciplinary methods with young folks. We hold two fellowship events per year for advisors (a Christmas party and an end-of-year party) to get to know each other across our ministry area.
